

Ukulele & Guitar Club

- Group Instruction is held once a week after school (see website for schedule)
- No experience necessary- • Grades 3-6
- Very affordable (cost of lessons are 50% less than taking private lessons)

Join us on a musical journey that builds friendships and a creative musical community along the way! Learning ukulele and guitar in a group setting offers a unique opportunity to build skills in musicianship and allows students to learn from not only the teacher, but each other. It encourages active listening and connection through rhythm and sound. This method fosters creativity, exposure to multicultural genres and offers an interactive way of learning. Students will build knowledge of chords, rhythm, tablature, melody, songwriting and how to jam! We will tap into their authentic expression by providing opportunities to be creative and let their uniqueness shine.

Classes are once a week after school. For more information including cost, schedule, and how to get an instrument, see our website at www.museband.com.
