Strings

Portland Music (On east Broadway) 503-228-8437

This store rents string instruments and is a good place to find rosin, shoulder rests, and any other item you may need. It is the only Portland Music Store that has clerks that know about string instruments. and can help you with any accessory for these instruments. If you go to their other stores you will be dealing with clerks who know more about guitars, not violins.

Manselle's Music Shop on SE McLoughlin Blvd.(503-659-9817) has quality string instruments for sale and rent and many accessories such as rosin. Their prices may be higher. Call to check.

David Kerr's Violin Shop (503-238-4515) is a good place to go if you want to buy or rent. Again, price may be higher than Portland Music. This is a great place to ask for advise about purchasing an instrument for a serious player or to have an instrument repaired.

Geesman Violin Shop (503-226-2998) does not rent but is a good place to go for instrument repairs or for serious players to buy an instrument. Ed Greesman is very friendly and reliable.
